UK Delivery with Amazon Shipping

GFS Managed Multi-Carrier Services

Amazon Shipping is a fast and reliable domestic shipping service for next-day and 2-day deliveries across the UK. Perfect for retailers who sell on their eCommerce websites, online marketplaces, and other sales channels.

A cost-effective and reliable delivery service for eCommerce sellers who want to offer their customers the Amazon delivery experience they know and trust.

Features:

- **Delivery Speeds:** Range of delivery speeds to suit business needs, including Next-Day and Two-Day delivery options
- **All 7 days:** 7-days-a-week deliveries across the UK
- **Better Visibility:** SMS/ Email notification, 2-4 hour time window, GPS Photo on delivery
- Ship a **variety of package sizes**, from small to large parcels

Benefits:

- Above industry-average delivery **performance**
- **Flat rate** for pan-UK parcel delivery
- **No surcharges** for weekend delivery or fuel/congestion charges
- Trusted by and known to shoppers

The Unbeatable Advantage of GFS:

- GFS is the **only Enterprise Carrier Management (ECM) company** to offer Amazon Shipping
- Access to **1000+** multi-carrier delivery services managed under a **single integration**
- Competitive **rates** thanks to GFS buying power
- **Personalised final-mile delivery options** for consumers through GFS Checkout
- **Greater** parcel visibility and trackability
- **Proactive** support and delivery expertise you can trust
- Robust **planning and contingency** protect Peak
- **Flexible, scalable solutions** to support business growth
